CONTRACT NO.

MT 02-569612-11

By mutual agreement, contract MT 02-569612-11 is renewed for a term of (1) year for the period of June 1, 2003 through May 31, 2004 and amended as follows:

1. The price for the core services is increased by 4.5% to \$353,793.
2. Pricing for the ABC, Gravid, Fay-Prince and resting boxes is changed from a fixed 26-month seasonal price to a "trap-night" price. A trap night is defined as the preparation and setup of a mosquito trap and the collection of the mosquito samples and the trap on the following day. A total of 390 trap nights is included in the core package. Additional trap nights will be priced at \$218.85 per trap night.
3. The pick up of dead birds as well as the "Dead Bird Hotline" service will be discontinued. Funding from these two services will be reallocated to provide the following additional services within the included core services package:
 - Catch Basin Larviciding is increased by 9,488 additional basins for a total of 39,488 basins.
 - The number of inspections of potential mosquito larval sites is increased by 610, for a total of 1,310 site inspections.
4. Pricing for all services beyond the amounts included in the core services package is increased by 4.5% as follows:
